

On August 21st, 2017 millions of Americans will experience a total eclipse of the sun!

From Oregon to South Carolina there will be TOTAL DARKNESS in the daytime for 2 minutes along the path of totality!

From the beginning of time, the Moon has intrigued humanity. From its creation through the current issues of space exploration, the Moon has been both a light in the night and a protective shield of earth placed perfectly by God. Where did the Moon come from? When did its light first shine on the earth? How old is it? What does the Bible have to say about the Moon?

Listen to Dr. John Whitcomb, on August 1<sup>st</sup> at 2:00 p.m. CT on Brannon Howse Worldview Weekend to answer these questions! <http://www.worldviewweekend.com/radio>

**Special pricing on "Our Created Moon" book co-authored by Dr. Don DeYoung and Dr. John Whitcomb! \$8.99**

**On pages 19-20, an explanation is offered regarding when eclipses occur and the path across America of the upcoming total lunar eclipse!**

#### TEAM NEHEMIAH 2017

Greetings to all,

I realize this correspondence is later than we had hoped. However, we have been trying to work out details of this year's mission trip before we could send out an official invite.

This year Team Nehemiah will be traveling to South Whitley, IN (Solid Rock Grace Brethren Church). We will be there from Sunday, August 13th to Friday, August 18th. We will be painting several rooms, building a sound booth, hanging a projector screen, projector and many other small building projects. We need Painters, Electricians, Carpenters and Cooks this year. If you are interested in serving on the team, please contact Pastor Bryan Maley at the Calvary Grace Brethren Church or by email [bmaley78@yahoo.com](mailto:bmaley78@yahoo.com).

The cost of the overall trip will be \$1200.00. If anyone would like to help financially, you can send your support to the Calvary Grace Brethren Church, 13700 84th St, SE, Alto, MI 49302.

Solid Rock Grace Brethren Church is also trying to raise \$4,000 to complete a much needed roof on the side of their building to keep the weather out of the basement and entry way. Support for this can be sent to the Solid Rock Grace Brethren Church c/o Dave Swenson, 213 Reed Street, South Whitley, IN 46787. Thank you all for your continued support and prayers.
